

1. Brief summary of the activities in the last two weeks

Each team has been working on their assignments for the project and we meet on Wednesday to give our updates. We are planning to have the basic requirements done by next week then move to the next requirements

2. Status-summary of the extra credit homework(s) that are due week#10

We did a little research not too much

3. Any exceptions that could affect the demo/presentation¹

No, we are keeping up with our timeline (we created a timeline last semester). We want to stick to our deadlines

4. Any items more-remotely related to the project that need to be discussed

Nope

¹ If any urgency in items "3." and/or "4." – please send an email requesting a meeting.
